SUNDAY SCHOOL LESSON

(By REV. P. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)

(Copyright, 1919, by Western Newspaper Union.)

LESSON FOR JUNE 1.

FAITH, WHAT IT IS AND WHAT IT DOES.

LESSON TEXTS—Hebrews 11:1-40; 12: 1, 2.

GOLDEN TEXT—"He believe in God, believe also in me."—John 14:1.

REFERENCE MATERIAL—Matt. 8:5-13; Mark 5:21-43; Rom. 1:16-17; 3:21-30; 4:1; 1 John 5:4.

PRIMARY TOPIC—Story of a Man Who Believed in Jesus. (John 8:1-3.)

JUNIOR TOPIC—Heroes of Faith.

INTERMEDIATE TOPIC—The Victory of Faith.

SENIOR AND ADULT TOPIC—The Place of Faith in Religious Life.

In Hebrews, chapters 1-10 the grounds of faith are clearly set forth; in this lesson its nature and glorious triumphs are displayed.

I. The Nature of Faith (11:1-3).

1. Faith is the eye of the soul, enabling it to see the invisible (v. 1). It is not merely intellectual assent to that which commends itself as being reasonable, but it is the soul's attitude toward God.

2. Faith seizes the things of the future and lives and walks in their power in the present (v. 1).

3. It enabled the "elders" to obtain a good report (v. 2). It made God's promises so living and real to them that it became the dominant force in their lives.

4. Faith enables us to understand how the worlds were made (v. 3). No man was present when God made the worlds, so as the foundation for our knowledge is the Word of God. The one who has faith wholly believes that Word.

II. The Triumphant Victories of Faith (11:4-38).

1. Faith of the antediluvian saints (vv. 4-7). As representatives of this period three men are pointed out: (a) Abel (v. 4), who displayed his faith in his worship. He took his place before God as a sinner and offered a bloody sacrifice, thereby showing that he looked forward to Christ's atonement, which is substitutionary—a life for a life. (b) Enoch, who displayed his faith in his walk in fellowship with God (v. 5). (c) Noah, who by faith stood loyal to God in a time of universal apostasy and wickedness (v. 7). Noah's task was a stupendous and difficult one. He exercised it in the face of much sneer and taunt, but his faith carried him through, securing salvation for himself and his family.

2. Faith of the Hebrew saints (vv. 8-38). (a) Abraham (vv. 8-10, 17-19). Abraham went out not knowing whither he went, but he knew that the Lord had spoken and that was enough. By faith he offered up Isaac, believing that God was able to raise him up from the dead and fulfill his promise that in Isaac the promised seed should obtain. (b) Sarah through faith received strength to conceive seed when she was old, counting him faithful who had promised (vv. 11, 12). (c) Jacob by faith pronounced a prophecy concerning Joseph's sons (v. 21). By faith he penetrated the unseen and pronounced destinies which should be experienced by them both. (d) Joseph by faith foresaw the entrance of his people into the promised land and made them swear to carry his bones there for burial, for even his body must not be left behind in the land of judgment and death (v. 22). (e) Moses (vv. 23-28). Faith in the hearts of his parents caused them to disregard the king's decree. Faith caused him to turn his back upon the honors of Egypt and identify himself with his enslaved brethren.

III. Faith's Grand Exemplar (12: 1, 2).

Christ taking upon himself human nature and passing through the trials of life to a triumphant goal is the supreme example for us. Those who fix their eyes upon him will (1) lay aside every weight. To run with success all burdens must be cast off. Things which may not be sinful in themselves, if they impede our progress must be laid aside. (2) Lay aside the sin which doth so easily beset us. (3) Run with patience the race set before us. (4) Looking unto Jesus. Our eyes must be steadfastly fixed upon him. Having him as our example we will endure the cross. To follow Jesus means suffering and trials.

Love as a Word.

Love, even as a word only, must stand alone. It is one of the great monosyllables of our great language—Love. It is the invisible gravitation of life. With its invisible cords, viewless but potent, it draws hearts together over eternal space, and holds them together in an indissoluble bond in Time and Eternity.

The Wonder of It!

"Lord, when I look on my own life it seems thou hast led me so carefully, so tenderly, that thou hast have attended to no one else. But, when I see how wonderfully thou hast led the world, and are leading it, I am amazed that thou hast had time to attend to such as I."—St. Augustine.

Why Man Fails.

Man could not fail so low were he not so great. It is the abused God in a man that turns him into a devil.

Worth It.

Tommy (held up from eating too much dinner)—"I feel awfully sick, ma, but it was worth it."—Boston Transcript.

TAKE CARDUI

The Woman's Tonic

You can rely on Cardui. Surely it will do for you what it has done for so many thousands of other women! It should help.

"I was taken sick, seemed to be . . . ," writes Mrs. Mary E. Veste, of Madison Heights, Va. "I got down so weak, could hardly walk . . . just staggered around. . . . I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down, I had no appetite, and I commenced eating. It is the best tonic I ever saw." Try Cardui.

Birthday Celebration

At ten-thirty the guests were invited into the beautifully decorated dining room, where Mrs. W. F. Wood, assisted by Mrs. W. B. Ellett of Roanoke, graciously served a most delectable repast consisting of all the delicacies peculiar to the season, covers being laid for 60; while Misses Pearl St. John of Cullen, and Annie Wood of Concord, dispensed delicious fruit punch through out the evening.

An attractive feature of the enjoyable occasion, causing much merriment, was the presentation of "A Musical Romance and Wedding Contest", Miss Edna Evans of Lynchburg, being the winning contestant.

L. E Smith, who was appointed a committee to go and confer with representatives of the Charlotte and Prince Edward County Boards regarding the establishment of a joint home for the poor, on April 10, made a report of the result of his conference, and it appearing that no definite agreement has been reached, the committee is continued.

The question of indicating how Appomattox county's part of the State money aid of $1067.-83 should be spent, carried over from the last meeting of this Board, was taken up and discussed, and it is the sense of this Board, and so ordered, that the said amount be expended in the maintenance of roads already built by the convict force, until January 1st, 1920, and a like sum of $1067.83, to match said sum, is hereby appropriated and set aside for that purpose.

Whereas, at the last meeting of this Board a resolution was adopted discontinuing the arrangement of financing Stonewall District Road Board in order for it to continue the convict force at work on its roads; and

Whereas, it was deemed unwise to discontinue the work at this time, in view of the fact that it would work a hardship and operate to make useless a large expenditure of money if work was discontinued at that time, it was agreed that said convict force be allowed to continue work until the 25th day of May, 1919, this Board agreeing so to continue to bear its part of the expenses until that time; and

Whereas, it appears that to discontinue work on the 26th day of May would probably not give the Highway Department sufficient notice of the desire of this board to discontinue the work of said convict force on the Mountain Grade work, it is hereby ordered that this Board discontinue the expense of said convict road force now at work in this county as of May 30, 1919, and the Clerk of this Board is directed to transmit forthwith a copy of, this order to the Highway Commissioner for his information and such action as he may deem proper, and this Board wishes to hold open and renew its proposition or offer to said Highway Commissioner made at the last meeting with regard to turning over to said Highway Department, as a loan, the use its equipment for work on the State Road in this county, if it can be so used, to begin construction of said State Highway at that time.

Whereas, at the last meeting of this Board an offer was made by this Board to the Highway Commissioner to turn over to the Highway Department the equipment of this county now being used by the convict force in this county, as a loan, if it could be used to begin construction on the State Highway in this county, and

Whereas, this Board having had no definite assurance or response from the Highway Commissioner in regard to said offer, and

Whereas, the convict force will discontinue work in this county on May 30, 1919,

Resolved, that this Board hereby makes request of Hon. H. D. Flood that he will if possible take this matter up with the Highway Commissioner at once and ascertain if said arrangement cannot be made whereby the county will turn over to the Highway Department its equipment to be used in construction of the State Highway in this county, as a loan, in order to begin work on said State Highway as of June 1, 1919, or as soon thereafter as possible, and that he will make report to this Board as soon as possible the result of his efforts, and not later than May 28, at which time this Board meets to make disposition of said equipment if said arrangement cannot be made.

L. E. Smith, agent in charge of the county farm, this day returned a statement of sundry sales from the County Farm, aggregating $64.00, together with checks and cash for said amount, which it is ordered be turned over to the Treasurer and that he be charged with said amount and said County Farm account be credited by the same.

At a meeting of the Board held at the Clerk's office May 29—present: W. H. Ligon, L. E. Smith and S. R. Martin.

The Board proceeded to lay the levies for the year 1919, and it is ordered that the Treasurer shall levy on each $100 worth of property, taxes as follows:

For County Purposes — On real estate, tangible personal property, railroads, telephone, telegraph and express companies' property, thirty five (35) cents for county school purposes, and twenty (20) cents for district school purposes; and on merchants' capital, fifteen (15) cents for county school purposes and fifteen (15) cents for district school purposes.

For District Road Purposes—On real estate, tangible personal property, railroads, telegraph, telephone and express companies' property, fifty (50) cents; on bank capital and intangible personal property for each district, thirty (30) cents; and on merchants' capital for each district, forty (40) cents.

After the above business was transacted the following resolutions were adopted:

Whereas, on the 22d day of March, 1919, a large and representative mass meeting of the citizens

OLD BUCKINGHAM.

THE GRAND OLD COUNTY PHOTOGRAPHED

Many Interesting Reports Made of Her People.

I promised you a report of two marriages—one was the McArthur Teeter marriage and the other was the marriage of Mrs. Sadie Langhorne and Mr Perkins Ellis, which I also mentioned took place at the pretty country place of Mrs. Langhorne near Mount Vinco, Tuesday June 3rd, Rev. C M. Barrell officiating. Mr. Ellis was born and raised in this county, but has been in business in the South for a long time, and in early life he married Miss Adele Davidson, of Alabama. Mrs. Langhorne was the widow of the late W. Keane Langhorne and those who are so fortunate as to enjoy her acquaintance speak of her as being a most excellent young lady.

The closing exercises of the High School here begin on Friday, June 6, and last until Monday night, June 9. There will be theatricals on Friday night; on Saturday an entertainment by the pupils in the grades; on Sunday the baccalaureate sermon and on Monday night an entertainment given by the whole school.

A cattle buyer from Fluvanna county, was here last week and bought a lot of cattle on the farm of the late W. A. Wood and also on the Charles Rosen farm.

The timber on the old R K Irving place has been offered for sale and probably a deal has been made by this time This is the only place I know of in the county on which no railroad ties have ever been cut.

Farmers have been busy sowing peas while they were waiting for a season to plant tobacco.

The Board of Supervisors at its meeting today is expected to pass a resolution in regard to auto trucks being run on the sand-clay road within 24 hours after a rain.

I am glad to be able to report that Mr. Robert Spencer continues to improve and it is expected he will be well in a short time. Rev. Dan Boone, who is charged with shooting Mr. Spencer, has been released on bail.

At this writing Mrs. Emma Glover is still in Richmond with her sick child, and Miss Willie Glover has gone to Mrs. Glover's home to attend to things for her.

Oh wad some power the giftie gie us

To see ourcels as ithers see us

When Bobbie Burns penned these lines he was thinking of a little creature that was crawling on a ladie's fine hat. But I'm thinking of some people who have come into the use of some money, and they do "Out" such fantastic tricks before high heaven as would make the angels weep". You know, dear reader, it was never wise, it was never to good taste, to show by your demeanor that you were proud of earthly possessions. "Riches take to themselves wings and fly away." "Vaunt not thyself of thy riches for thou knowest not what a day may bring forth". We need these things and yet we see young people making themselves obnoxious to lookers-on by the way they show "The purse proud" proclivities, and in these piping times of peace money is so plentiful that it is real common to show that you are proud that you have it. Why, the negroes have plenty of money now. I heard one negro say he cleared $40 in 8 days. Money is as common as a Ford car.

Mr. Flood is expected to be here to attend to some business on Saturday, June 7.

Attorney Rogers, of the law firm of Hall and Rogers, will appear in a case before 'Squire Haskins on June 14th.
